PREFACE

The Government of India have for some time been considering the desirability of publishing a Civil List of Indian Administrative Service and Indian Police Service Officers serving on the Cadres of the various State Governments and on deputation to the Central Government and elsewhere. The need for such a consolidated list has been felt for long both by the various Governments of the States and the Central Government as well as members of the public. Hence this consolidated list has been brought out for general information. With a view to increase the usefulness of this compilation a number of Appendices have been introduced. An index to the names of the officers in the list has also been added at the end of this publication.

2. Though every care has been taken to ensure that there are no mistakes, it is not unlikely that errors might have crept in or omissions have gone unnoticed. If any error or omission is noticed in this compilation it may kindly be brought to the notice of the undersigned together with the available material evidence in support of the correction proposed.

P. PRABHAKAR RAO,
Deputy Secretary to the Government of India.
